

DLRA Speed Week 2023

20th March to 24th March 2023

Additional Class Entry Form

For Official Use Only

Event Date

Entry Fee Paid \$

This is the DLRA membership number allocated to you when you joined the DLRA. Member number must be displayed on vehicle if it is different to Vehicle Number. Not a member? Go to <http://www.dlra.org.au/member.htm>

MEMBER NUMBER

Entry Numbers must be displayed on both sides of a vehicle. See Rulebook 2.L Entrants with vehicles entered in multiple classes or multiple vehicles must complete a separate entry (this) form for each class or vehicle. On the second entry, the entry number will be the use the prefix "9" followed by entrant's member number. A third entry will use the prefix "8" and so on. Additional drivers will must submit their own entry form and use their member number to generate their entry number.

ENTRY NUMBER

The class nominated here by the entrant must be the same as that displayed on both sides of a vehicle at time of technical inspection.

CLASS

Eligibility: All owners and drivers must be financial members of the DLRA. All details MUST be complete, failure to do so will result in your entry NOT being accepted and returned to you.

Hazardous Chemical Register

A Hazardous chemical register is a list of all hazardous chemicals used, handled or stored within your pit. You must attach the current safety data sheet (SDS) with this register as part of your entry to DLRA Speed Week. The Safety Data Sheet will tell you how to use and manage hazardous chemicals safely. The supplier of your chemicals should provide a Safety Data Sheet upon request. **Note:** Chemicals not classified as hazardous chemicals do not require SDSs and do not need be included in this register.

How can you tell if a chemical is classed as hazardous?

Section 2 of the SDS will tell you if, and how the chemical is hazardous. Other indications are:

- The manufacturer or supplier provided a copy of the SDS with the chemical
- The label of the product includes:
 - diamond-shaped warning pictograms (see right)
 - signal words *Danger* or *Warning*
 - hazard or precautionary statements such as *Toxic if swallowed* and *Wear eye protection*
 - risk or safety phrases such as *Harmful if swallowed* and *Keep out of the reach of children*.

Contact the manufacturer or supplier for more details or for a copy of the SDS. Many companies also provide SDSs online.

Chemical name	Manufacturer including Australian contact details	SDS issue date (must be <5 years)	Maximum quantity held on site *	Comments

* For each item listed in your register, placarding of your pit and warning labels on your vehicle will be required.
